Mr. John Davis,
336 Broadway,
Schenectady, N. Y.

Dear Mr. Davis:

I had hoped by this time you would be in Newark, but I just learned yesterday from the Parole Board that they were under the impression Mr. Bozzi did not want you to come, and also that you did not want to come. Their conversation with Mr. Bozzi had led them to believe that you did not want to make the change.

I am writing to tell you to explain to your investigator that you would like to come to Newark. As long as he feels you do not want to come, he will of course not be anxious to make the transfer.

Drop me a line and let me know if you receive this letter, and if you still want to join The Eagles.

Very truly yours,
